Game Structure - 6 vs. 6
 4 quarters, 10 minutes each
 2 minute water break between quarters, 5 minute halftime (please do not take longer breaks so the later games are not delayed)
 The center referee for each game is assigned. Each team provides one linesman for their own game.

- The teams playing the FIRST GAME on their field sets-up the equipment.
The teams playing the LAST GAME on their field takes down the equipment.
- The first team listed for each game is the "Home" team.
The "Home" team will sit on the left side of the field (looking at it from the road), provides the game ball and water for the referees.
- Reminder to fill out and hand in all game cards! We will keep a box to put the games cards by the equipment storage door.
